## **Association Meeting Minutes for February 25, 2009**

**Presentation** – Joe Hertel, Program Manager of Wisconsin Department of Commerce, gave us an update on the interaction of the 2006 International Building Code and Comm16. Comm 16 has adopted the 2008 National Electrical Code by Reference. Of few items discussed were the impact that the *NEC* deals with NFPA 99 and NFPA 110, that knob and tube wiring may still be a code conforming installation, and how Article 700 of the *NEC* has many references to the *NEC*.

### **Business Meeting**

**Minutes** – Approved as submitted

**Treasurers Report** - Approved as submitted

**Committee Reports** – Presentation Committee reported on a tour of Underwriters Laboratories in Northbrook IL., in June.

**Old Business** – None

**Code Questions** – You may install insulated aluminum conductors underground.

**New Business** – Winners of the drawing for reimbursed expenses to the International Electrical Inspectors Association Wisconsin Chapter Annual Meeting in May were:

1. Bob Yuzna
2. Rob Radmer
3. Kyle Krueger

Alternates ----- Dan Biernacki, Jim Pirano, and Terry Maier.
